

## CDFA Brownfields Virtual Project Marketplace

July 27-30, 2015

1:00pm - 5:00pm EDT

CDFA is excited to offer the Brownfields Project Marketplace as an opportunity for communities to receive technical assistance related to the redevelopment and financing of brownfield projects.

CDFA's Brownfields Project Marketplace brings brownfield communities together with technical assistance advisors to discuss redevelopment and financing scenarios. The Project Marketplaces will consist of a brief presentation by a community detailing important information on their brownfield site followed by an open discussion period among community officials and technical assistance partners. Join us online to consult with financing professionals and brownfield project experts who can help identify potential resources for the project.

To enroll your site in the Marketplace, please complete the application below. CDFA staff will follow up with you at the contact information you provide below to confirm your submission.
